Commissioner of Patents and Trademarks

*Notice of Non-Responsive Amendment*

The reply filed on 20 November 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not provide a substantial or specific argument pointing out the disagreements with the examiner's contentions. Applicant only stated that "claims 27, 43, and 55 were combined to arrive at the new independent claims 58, 72, and 73" to which the examiner had pointed to the differences in steps of methodology in the communication mailed 06 November 2002. Thus the arguments have been fully considered but they are not found to be persuasive.

Therefore, as stated in the previous communication, the new claims 58-90 are not readable on the elected invention because the method steps of the new claims are different and distinct from the originally elected claims. As stated previously, claims 58-90 have been withdrawn from consideration as being directed to a non-elected presentation.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
